

## HK624010FB Built-in Hob

### Efficient touch controls

Efficient touch controls enable you to set the hob's heat level precisely, while its flat surface is easy to clean and integrates seamlessly with your work surfaces.

### Increase your cooking options

You can do more with this hob! Thanks to the extendable cooking zone, you can prepare dishes using a wider variety of pots and pans.

### An instant overview of where your hob is still hot

Thanks to the forward position of the residual-heat indicators on the hob, you have an instant, clear overview of all the areas on the hob that are still cooling down.
